

Welcome back to school

Hello again from AVI Fresh

The dining services team is excited to welcome you back as we start a new school year!

Our team is looking forward to your arrival and is honored to serve the students, faculty and staff throughout the 2018-2019 school year.

During your summer break, we've been preparing new recipes and getting everything ready for back to school. We have many exciting programs planned!

Menus for your school are available www.gozeps.org.

If you should have any questions or special requests regarding food sensitivities, understand that I am here to assist. My team and I are grateful to serve **Noble Local School**
