Noble Local School District Employees,

Enclosed are your new insurance cards which are effective January 1, 2017. As discussed at the back to school/opening day meeting back in August, there is no change to the coverage outlined in the District's Plan Document, only to the network of doctors. These new cards reflect the change in networks from Cigna to Ohio PPO Connect. If you have any questions, do not hesitate to contact any member of the insurance committee:
